

ENBRIDGE GAS INC. NOTICE OF STUDY COMMENCEMENT AND VIRTUAL PUBLIC INFORMATION SESSION

PROPOSED EAST HARBOUR RELOCATION PROJECT

Project Overview

Enbridge Gas Inc. (Enbridge Gas) is proposing to relocate its existing natural gas infrastructure that is currently in conflict with Cadillac Fairview's proposed 60-acre mixed use development project.

The East Harbour Relocation Project (the Project) involves the relocation of approximately 400 m of existing natural gas steel pipeline from Enbridge Gas' Station B at 405 Eastern Avenue to Lake Shore Boulevard East, to address a conflict with Cadillac Fairview's proposed mixed use development project.

Environmental Study

Enbridge Gas has retained WSP Canada Inc. to undertake an environmental study for the project. An Environmental Report will be prepared in accordance with the Ontario Energy Board (OEB) *Environmental Guidelines for the Location, Construction and Operation for Hydrocarbon Pipelines and Facilities in Ontario, Eighth Edition (2023)*. Upon completion, Enbridge Gas will file an application for a Leave to Construct with the OEB. If approved, construction is anticipated to begin Q2 2024.

If you have any questions or comments regarding the environmental study or the Project, if you are unable to access the virtual public information session, or would prefer an alternative format of the virtual public information session materials, please contact:

Aisha Lewis
Environmental Planner
WSP Canada Inc.

Kristin Kimpinski
Environmental Advisor
Enbridge Gas Inc.

Virtual Public Information Session

Indigenous consultation and public engagement are fundamental components of the study. Input received from Indigenous communities and stakeholders will inform the study and identification of site-specific mitigation for the project. Enbridge Gas will host a **Virtual Public Information Session** to provide information about the Project and to present an opportunity for interested stakeholders to ask questions and provide input. We want to hear from you!

Virtual Public Information Session Active Dates:
May 8, 2023 9:00 AM – May 21, 2023 5:00 PM ET
Website: www.EastHarbourEA.ca
