### About the Enbridge Gas Dawn Hub

The Enbridge Gas Dawn Hub is the largest integrated natural gas storage facility in Canada and one of the largest in North America. It offers customers, such as power generators, distribution and pipeline companies and energy marketers, an important link in the movement of natural gas from key supply basins to markets in central Canada and the Northeast U.S.

- A working storage capacity of 288 Bcf.
- Bi-directional service.
- Takeaway capacity of 8.4 Bcf a day.
- Daily demand at Dawn from markets in Ontario, Quebec, the U.S. Midwest and the U.S. Northeast.
- Interconnects with several major pipelines including Vector, Great Lakes, Panhandle, Bluewater, MichCon and TransCanada at Kirkwall and at Parkway.
- Additional interconnects with ANR via Enbridge and National Fuel, Empire, Dominion, and Tennessee via Kirkwall.

- **Injections:**
  - 100% of MSB daily on an interruptible basis.
- **Withdrawals:**
  - Firm withdrawals at the rate of 1.2% of MSB daily, regardless of balance (no ratchets) in all months except March and April of each year; 98.8% of MSB daily on an interruptible basis in all months except March and April of each year.
  - Interruptible withdrawals available March 1 through April 30 of each year at the rate of 100% of MSB daily.
- **Receipt and Delivery** points shall be Dawn (Facilities)
- All interruptible quantities will be scheduled in accordance with the Priority of Service Guidelines which can be found on Enbridge Gas’ [website](#) under Storage and Transportation/Operational Information.
- The first storage cycle is complete when the cumulative quantity of all injections and all withdrawals equals two (2) times the contracted MSB.
- **Cycling Charge:**
  - After the first storage cycle, injections into storage and withdrawals from storage will each be at a rate of \$0.025 USD/MMBtu.
- No commodity charge and 0% fuel on receipts and deliveries, with the exception of the cycling charge described above.
- All terms and conditions set out in the Enhanced Short Term Peak Storage Service Agreement will apply and can be viewed on Enbridge Gas’ website under [Storage and Transportation/Services/Peak Storage Service](#).

#### Submitting Bids and Awarding of Service

All bids are due on or before 2 p.m. ET / 1 p.m. CT, on March 13, 2023. Enbridge Gas expects to award capacity on or before 4 p.m. ET / 3 p.m. CT on March 13, 2023.

Please submit your bid form (provided on the last page of this document) under the above terms and conditions, by email to [EnbridgeGas\\_STSales@enbridge.com](mailto:EnbridgeGas_STSales@enbridge.com).

Enbridge Gas reserves the right to make acceptance of any binding bid conditional upon receiving reasonable financial assurances for the obligations pursuant to this Open Season, if deemed necessary.

Enbridge Gas reserves the right to make its acceptance of any bid conditional upon satisfaction or waiver of conditions precedent set out in Section 6.01 of the Interruptible Service HUB Contract.

Each bid will be evaluated separately. If two or more successful bids have an equivalent value, and insufficient capacity exists to satisfy all such bids with an equivalent value, the capacity allocated to such bids will be prorated.

Enbridge Gas reserves the right to reject any and all bids at its sole discretion. Without limiting the foregoing,

Enbridge Gas may, but is not required to, reject any bids which do not conform to the Open Season, are incomplete with the terms and conditions outlined in this Open Season, contain additional or modified terms, or are otherwise deficient in any respect.
