

# Multiple Nominations

The screenshot shows the ENBRIDGE Enerline interface. At the top, there are navigation links for Contracts, Nominations, Measurements, Reports, Invoices, Support, and Tutorials. A user profile bar shows 'Current Company: Enerline Company' and a 'Change Company' button. Below this, there are buttons for 'Name Change' and 'View All Parties'. Two panels are visible: 'Deadlines' for May 21, 2021, showing a 'Timely' window with 02:00:20 remaining, and 'Operational Status' showing dates from May 19 to May 22, 2021, with status indicators. A 'New Nomination' button (with a circled '2') and a 'Copy' button are also present. At the bottom, there are tabs for 'Effective Nomination', 'All Nominations', and 'Expired Nominations'. A date selector is set to 'May 21, 2021'. A table of nominations is shown below, with a circled '1' next to the first row.
