

**Enbridge Gas Inc. has applied for approval to construct approximately 19.8 kilometres of natural gas pipeline and ancillary facilities in the City of Ottawa.**

**Learn more. Have your say.**

If the application is approved as filed, Enbridge Gas Inc. will replace the existing St. Laurent Pipeline in two final phases (Phase 3 and Phase 4) of its multiple year project. In Phase 3, Enbridge Gas Inc. proposes to construct polyethylene pipeline of intermediate pressure consisting of approximately 4.2 kilometres of 6-inch diameter pipe, 3.6 kilometres of 4-inch diameter pipe and 383 metres of 2-inch diameter pipe to maintain gas distribution to its customers on the existing pipeline to be abandoned. In Phase 4, Enbridge Gas Inc. proposes to replace the existing extra high-pressure steel St. Laurent Pipeline with approximately 8.9 kilometres of 12-inch diameter pipe, 2.4 kilometres of 16-inch diameter pipe and 330 metres of 6-inch diameter pipe.

A map of the proposed pipeline project is provided below.

individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Enbridge Gas’s compliance with the OEB’s Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

**The OEB will also assess whether the duty to consult with Indigenous communities potentially affected by the proposed pipeline has been discharged with respect to the application.**

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

**BE INFORMED AND HAVE YOUR SAY**

You have the right to information regarding this application and to be involved in the process.

- You can review the application filed by Enbridge Gas on the OEB’s website now
- You can find information on how to participate in the process on the OEB’s website: <https://www.oeb.ca/participate>
- You can find information on the **duty to consult with Indigenous communities** on the OEB’s website: Consultation with Indigenous Peoples
- You can file a letter with your comments, which will be considered during the hearing
- You can become an intervenor. As an intervenor you can ask questions about Enbridge Gas’s application and make arguments on whether the OEB should approve Enbridge Gas’s request. Apply by **April 13, 2021** or the hearing will go ahead without you and you will not receive any further notice of the proceeding
- At the end of the process, you can review the OEB’s decision and its reasons on our website

**LEARN MORE**

Our file number for this case is **EB-2020-0293**. To learn more about this hearing, find instructions on how to file a letter with your comments or become an intervenor, or to access any document related to this case, please select the file number **EB-2020-0293** from the list on the OEB website: [www.oeb.ca/noticelctc](http://www.oeb.ca/noticelctc). You can also phone our Public Information Centre at 1-877-632-2727 with any questions.

**ORAL VS. WRITTEN HEARINGS**

There are two types of OEB hearings – oral and written. Enbridge Gas has applied for a written hearing. The OEB is considering this request. If you think an oral hearing is needed, you can write to the OEB to explain why by **April 13, 2021**.

**PRIVACY**

*If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.*

*This hearing will be held under section 90(1) and 97 of the Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B.*
