

HVAC Safety Violations Online Tool // Landing Page Overview

The screenshot shows the landing page of the HVAC Safety Violations Online Tool. At the top is a dark navigation bar with the ENBRIDGE logo on the left and menu items: Home, Activity Centre, TSSA & Regulation Settings, Account & Login, and About. A user profile icon is on the right. Below the navigation bar is a section titled "My Recent Activity" with a calendar icon and the date "Tuesday March 3rd". A callout box points to the "Home" link, stating: "Click Home to Navigate back to the Home Screen". Another callout points to the "Activity Centre" link, stating: "Click here to turn on END of day REPORT or END of Week Report OR Set up Customer Thank you Email". A third callout points to the "TSSA & Regulation Settings" link, stating: "Click here to Update TSSA Gas Technician information as well as TSSA Registration Number and contact information". A fourth callout points to the "Account & Login" link, stating: "Click here to Update Username, Password and Secret Question". A fifth callout points to the "About" link, stating: "Click here to review Welcome Message, What you can do and the Offline Mode." The main content area displays a violation entry for a "Forced Warm Air Furnace" at "106 TORMINA BLVD WHITBY" with "Meter # 2551926" and a status of "ISSUED". A callout box points to a "+" icon in the bottom right corner, stating: "Click the '+' to Submit Safety Violation or to Clear Safety Violation". On the right side, there is a "Sort By" dropdown menu with options for "Notice Type" and "Appliance (A - Z)", and a "COMPLETED" status filter. Below these are two circular buttons: "Clear Safety Violation" and "Submit Safety Violation".
