**Panhandle Regional Expansion Project**  
**In Franchise Binding Reverse Open Season**

On February 17, 2021, Enbridge Gas Inc. (“**Enbridge Gas**”) issued a Panhandle Regional Expansion Project Expression of Interest and Capacity Request (“**EOI**”). Based on the interest received from the EOI, Enbridge Gas expects expansion facilities will be required to meet the incremental demands for gas distribution service. To ensure economically efficient expansion of Enbridge Gas’s pipeline system, we are now inviting binding bids for existing capacity turn-back.

Enbridge Gas is offering all existing distribution contract rate customers in the proposed project service area (see attached map on page 3) the opportunity to “turn-back” or de-contract existing distribution capacity.

Bids submitted in this Binding Reverse Open Season represent a legally binding commitment to turn back capacity. Existing customers should submit only one binding bid form for each distribution contract. Enbridge Gas, in its sole discretion, reserves the right to reject any and all bids received.
