SCHEDULE “3”
End Use List

For all Bundled T Contracts administered by the Customer or its Agent, the End Use List of accounts is provided on the secured portion of the Company’s website.

The account(s) shall collectively be defined as Point(s) of Consumption. The parties acknowledge that should any Point of Consumption’s account number change to a new number, the contract is deemed to be automatically amended to include such new number.

If the Contract is executed by an Agent, then Customer shall mean the End Users referenced in this Schedule 3.
