Voluntary RNG Program (if applicable) (3)

Monthly Charge - Rate 01 and Rate 10	\$ 2.00	\$ 2.00
--------------------------------------	---------	---------

Notes:

- (1) The Commodity and Fuel rate includes a gas supply administration charge of 0.2012 cents/m<sup>3</sup>.
- (2) Prospective recovery of gas supply deferral accounts.
- (3) The Voluntary RNG Program Charge is a fixed monthly charge applicable to customers who elect to participate in the Company's Voluntary RNG Program to fund the incremental cost of purchasing renewable natural gas as part of system supply. The charge will be applicable for a minimum term of one billing month, renewing automatically monthly until terminated by the customer or until the Company terminates the Voluntary RNG Program, whichever occurs earlier. The fixed monthly charge will apply to applicable customers whether or not they consume natural gas within the billing period.
