By signing below, I agree to the terms and conditions applicable to these incentives. I confirm that I have the authority to apply for the incentive on behalf of the recipient(s) and to bind the recipient(s) to the applicable terms and conditions. If I have also claimed a Service Provider's incentive payable by Enbridge Gas Inc. I confirm that I have made the customer aware of this incentive. Where applicable, I confirm the technology meets the technical requirements applicable to the measures.

Please indicate if the below name is the Customer/Builder or Service Provider

Name (Please Print)

Signature

Date (MM/DD/YY)

Where Applicant is a corporation, I/we have authority to bind the corporation.

Terms and Conditions

* All incentive offers are available to Enbridge Gas customers. Incentives are only made available to customers where Enbridge Gas incentive offer(s) have impacted the customer's decision to proceed with the improvement(s). Incentive cannot exceed 50 percent of the project cost and \$100,000 per project. High-volume projects (more than 10 units) will be reviewed on a per-project basis for incentive approval. The customer must be the owner of the applicable energy-efficient equipment with Enbridge Gas Inc. account must be in good standing. Incentive offers are available between Jan. 1, 2024 and Dec. 31, 2024. To receive an incentive, a completed 2024 Commercial and Industrial Energy Efficiency Fixed Incentive Application Form, proof of purchase (invoice preferred) matched to the installation address, and one of the following document: project quote that shows Enbridge Gas incentive or Technical Input Sheet (TIS) or customer/business partner email acknowledgement on Enbridge Gas incentive, must be provided to Enbridge Gas at the time of application and no later than Dec. 31, 2024. Replacements of existing energy-efficient equipment do not qualify. Enbridge Gas is not responsible for lost mail or mail disruptions. Allow 10 to 12 weeks for delivery of payment. All Commercial and Industrial Energy Efficiency Fixed Incentives are paid on a per-unit basis to customers and business partners unless otherwise indicated. Foodservice incentives apply to commercial food preparation or processing. Multi-unit residential incentives apply to buildings exceeding 600 m² in building area or exceeding three storeys in building height and used for major occupancies classified as residential occupancies, as described in Division A of the Ontario Building Code (per section 11.2.2. Application of part 3, 4, 5 and 6). Programs and incentives may be subject to change or cancellation without notice at any time. Enbridge Gas Inc. makes no representation, warranty or guarantee regarding the projected savings of any energy efficiency measure or performance of installed equipment. Enbridge Gas Inc. reserves the right to independently verify application information and confirm installation. Additional terms and conditions apply as set out on the Enbridge Gas website at enbridgegas.com/fixedincentive and valid for the calendar year for the calendar year in respect of which an application for incentive is submitted. HST is not applicable and will not be added to incentive payments.

Please email completed applications to your Enbridge Gas Energy Solutions Advisor or energyservices@enbridge.com
