

Enbridge Billing Service - List of Participating Companies

Enbridge provides a billing service to companies that are not owned by or affiliated with Enbridge. If you decide to buy a product or service from a participating company, their charges will appear in the “Charges From Other Companies” section of your Enbridge bill. This can help make paying bills more convenient, get one bill and make one monthly payment to Enbridge. Enbridge does not recommend, endorse or guarantee the products or services offered by such companies.

The following companies are participating in the Enbridge Billing Service.
