

LAND REQUIREMENTS

1. The preferred route is described in Exhibit C, Tab 1, Schedule 1.
2. The preferred route is located completely within the public road allowance. Enbridge Gas Distribution Inc. (“Enbridge”) will be required to obtain road occupancy permits from the City of Toronto.
3. Enbridge will also be required to obtain Temporary Working Space Agreements from Hydro One Networks Inc. and the City of Toronto along the route.
4. The contact information for all interested parties and affected landowners can be found at Exhibit F, Tab 1, Schedule 4.
