

ARCHAEOLOGICAL ASSESSMENT

1. A Stage 1 Archaeological Assessment for the Preferred Pipeline Route was completed by Stantec Consulting Ltd. (“Stantec”) and can be found in Appendix E of the Environmental Report at Exhibit C, Tab 1, Schedule 3, Attachment 1.
2. The Stage 1 Archaeological Assessment (“AA”) was finalized on April 4, 2018 and was submitted to the Ministry of Tourism, Culture and Sport (“MTCS”). The Stage 1 AA has yet to be reviewed by the MTCS and accepted into the Ontario Public Register of Archaeological Reports.
3. The Stage 1 AA including a property inspection, has determined that the entire project area retains low to no archaeological potential for the identification of archaeological resources, and all areas have been extensively disturbed by modern construction activities.
