If approved, the project involves the construction of two segments of natural gas transmission pipeline and a new district station. Enbridge Gas Inc. says the project is needed to provide gas distribution service to the future customers of Georgian Sands planned subdivision in Simcoe County.

Enbridge Gas Inc. is also asking the Ontario Energy Board to approve the form of agreements it offers to landowners to use their land for construction of the proposed line.

A map of the proposed pipeline project is provided below.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Enbridge Gas. During the hearing, we will question Enbridge Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Enbridge Gas' compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB will also assess whether the duty to consult with Indigenous communities potentially affected by the proposed pipeline has been discharged with respect to the application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
