

NEGOTIATIONS TO DATE

1. Contact has not been made with any property owners as there are no property requirements along the preferred route. Enbridge Gas Distribution Inc. (“Enbridge”) is not aware of any opposition to the proposed pipeline and facilities from any affected landowners. Should this change Enbridge will inform the Ontario Energy Board.
2. Enbridge will obtain all required Permits, Agreement to Grant Easements, Easements and Working Area Agreements, if required, for the preferred route before the commencement of construction.
3. Attached are the forms of agreement that Enbridge will offer to landowners, if required, including:
  - a) The Agreement to Grant Easement (Attachment 1)
  - b) The Easement Agreement (Attachment 2)
  - c) The Working Area Agreement (Attachment 3)
