

## Appendix A Gate Station Capacity and Location Source Material References

Metropolitan Area(s)	Capacity Information Source	Map Location Data Source
<b>Algonquin Gas Transmission (AGT)</b>		
Spectra Energy – Algonquin Gas Transmission LINK Informational Postings <a href="http://infopost.spectraenergy.com/infopost/AGHome.asp?pipe=AG&amp;mode=1">http://infopost.spectraenergy.com/infopost/AGHome.asp?pipe=AG&amp;mode=1</a>		
Boston	Operationally Available Capacity report Total Design Capacity data April 2, 2013	Engineering judgment was used to overlay point descriptions (from OAC report) to EIA map of transmission pipelines. In most cases, descriptions names are town names followed by (County, State). Assumptions made are noted in the gate station location tables.
New York		
<b>Alliance Pipeline</b>		
Alliance Pipeline (USA) Informational Postings <a href="http://info.alliance-pipeline.com/usa/">http://info.alliance-pipeline.com/usa/</a>		
Chicago	Operationally Available Capacity report Operating Capacity data February 14, 2013	Engineering judgment was used to overlay point descriptions from OAC report and system map from "FERC Gas Tariff Volume 1" to EIA map of transmission pipelines.
<b>Natural Gas Pipeline of America (NGPL)</b>		
Kinder Morgan – Interstate Pipelines – Informational Postings <a href="http://pipeline.kindermorgan.com/StaticContentManager.aspx?control=ngpl">http://pipeline.kindermorgan.com/StaticContentManager.aspx?control=ngpl</a>		
Chicago	Operationally Available Capacity report Design Capacity data February 13, 2013	Engineering judgment was used to overlay point descriptions from OAC report and system map from "FERC Gas Tariff 8 <sup>th</sup> Revised Volume 1" to EIA map of transmission pipelines.
<b>Tennessee Gas Pipeline</b>		
Tennessee Gas Pipeline Co, LLC Informational Postings <a href="http://tebb.elpaso.com/ebbmastertpage/default.aspx?code=TGP">http://tebb.elpaso.com/ebbmastertpage/default.aspx?code=TGP</a>		
Boston	Operationally Available Capacity reports by Loc # Total Design Capacity data February 12, 2013	Map Zone 6 locations visually correlated to EIA map of transmission pipelines
New York		Map Zone 5 locations visually correlated to EIA map of transmission pipelines
<b>Texas Eastern Transmission (TETCO)</b>		
Spectra Energy - Texas Eastern Transmission, LP (007932908) Link System Informational Postings <a href="http://infopost.spectraenergy.com/infopost/TEHome.asp?pipe=TE&amp;mode=1">http://infopost.spectraenergy.com/infopost/TEHome.asp?pipe=TE&amp;mode=1</a>		
New York	Operational Capacity Report Total Design Capacity data April 2, 2013	Engineering judgment was used to overlay point descriptions from OAC report and Market Zone 3 map from "FERC Gas Tariff 8th Revised Volume 1" to EIA map of transmission pipelines.
Philadelphia		
<b>Transcontinental Gas Pipeline (Transco)</b>		
Williams Transco Informational Postings 1Line Portal <a href="http://www.1line.williams.com/Transco/index.html">http://www.1line.williams.com/Transco/index.html</a>		
New York	Operationally Available Capacity report Design Capacity data February 7, 2013	Engineering judgment was used to overlay point descriptions from OAC report, Operational Capacity map and "Williams Gas Pipeline Transco 2010 Winter Operations Meetings" to EIA map of transmission pipelines.
Philadelphia		
<b>Union Gas</b>		
Union Gas – Storage and Transportation – Informational Postings <a href="https://www.uniongas.com/storagetransportation/infopostings/">https://www.uniongas.com/storagetransportation/infopostings/</a>		
Toronto	Operationally Available Transportation Capacity report Capacity data April 1, 2013	Current and future gate station locations provided by Enbridge Gas Distribution.
<b>Vector Pipeline</b>		
Vector Pipeline Informational Postings <a href="http://www.vector-pipeline.com/vector/main.aspx?id=6248&amp;tmi=430&amp;tmt=4">http://www.vector-pipeline.com/vector/main.aspx?id=6248&amp;tmi=430&amp;tmt=4</a>		
Chicago	Operationally Available Capacity report Design Capacity data February 14, 2013	Engineering judgment was used to overlay point descriptions from OAC report and map from "FERC Gas Tariff 1st Revised Volume 1" to EIA map of transmission pipelines.
