

ENBRIDGE GAS DISTRIBUTION INC. RESPONSE TO
SCHOOL ENERGY COALITION INTERROGATORY #2

INTERROGATORY

Issue: A1-SEC-2

[Ex.A/4/1/p.8]

Please provide details about each major gas supply outage that Enbridge has experienced in the Greater Toronto Area in the past 20 years.

RESPONSE

Enbridge has not experienced any major gas supply outages in the Greater Toronto Area in the past 20 years. 'Major gas supply outage', in this context, is considered to be the loss of a significant transmission line feed to the Greater Toronto Area.

Witness: C. Moore
