

OSEA INTERROGATORY #5

INTERROGATORY

Reference: Exhibit B, Tab 1, Schedule 6, Page 72 of 271

Please file the report: Nexant, "Questar Gas, DSM Market Characterization Report," August 2006 and indicate if the utilities intend to update this study.

RESPONSE

The Nexant study was commissioned by Questar Gas. The study is available at: http://www.swenergy.org/Data/Sites/1/media/documents/news/news/file/Questar_DSM_Market_Characterization_Report.pdf.

The value referenced in the study was included in the TRM by the third-party consultant (Energy and Resources Solutions Inc.) to support an input assumption contained in the substantiation document. The Utilities cannot speak to the contents of the report.

Regarding future updates to input assumptions, please refer to the response to SEC Interrogatory #3 found at Exhibit I.EGDI.SEC.3.
