Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700
Toronto, Ontario, M4P 1E4

Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
Cap and Trade Compliance Plan (“Application”)
Ontario Energy Board (“OEB” or “Board”) File Number: EB-2016-0300**

On January 11, 2017, the Board wrote to Enbridge asking it to consider whether the evidence identified in the Board’s letter could be placed on the public record. Following receipt of this letter, Enbridge carefully reviewed the evidence identified in the letter and on January 18, 2017, Enbridge filed an updated redacted version of its evidence which placed on the public record a substantial portion of the evidence identified in the Board’s letter. Enbridge however did not agree that all of the evidence identified in the Board’s letter should be placed on the public record.

Subsequently, Board Staff requested that Enbridge reconsider its redaction of several pieces of the evidence. Enbridge has once again carefully reviewed the evidence which Board Staff requested that it reconsider and Enbridge has agreed that additional evidence can be placed on the public record. The addendum to Exhibit A, Tab 3, Schedule 1 contains the references which were filed as strictly confidential on November 15, 2016 and which have now been placed on the public record.

Copies of the above noted revised updated redacted evidence is being filed contemporaneously with this letter.

This letter and the revised updated evidence has been filed through the Board’s Regulatory Electronic Submission System and will be available on the Enbridge website at:
www.enbridgegas.com/ratecase.

Please contact the undersigned if you have any questions.

Yours truly,
