Overview

It is important that you, the Customer, review and complete the information below to advise Enbridge Gas Distribution Inc. ("Enbridge") if the Customer will be participating in Ontario's Cap and Trade Program, as governed by *Ontario Regulation 144/16, The Cap and Trade Program* and by the *Climate Change Mitigation and Low-carbon Economy Act, 2016*.

Declaration Forms not received by Enbridge by December 7, 2016 advising of the Customer's participation in the Cap and Trade Program will result in Enbridge obtaining and surrendering emission allowances in respect of the Customer's emissions generated from the natural gas delivered by Enbridge.

Cap and Trade Declaration Form:

The purpose of this form is for the Customer to provide direction to Enbridge regarding their participation in Ontario's Cap and Trade program. This form will be used to identify whether a customer's facility or facilities will participate directly in Ontario's Cap and Trade program as per *Ontario Regulation 144/16, The Cap and Trade Program*.

Cap and Trade Charges:

Enbridge has divided the Cap and Trade charges into two main components: customer-related obligations and facility-related obligations. These charges will be included in the "Delivery to You" line on your Enbridge bill.

All customers, regardless of program participation, will be charged all or a portion of facility-related obligations according to the services provided by Enbridge. For more information, please refer to Enbridge's Rate Handbook, which will contain all Cap and Trade rates, when available.

Once completed, this form will be used to update Enbridge's billing systems to ensure customers are accurately billed Cap and Trade charges. Those customers that participate directly in Ontario's Cap and Trade program (either as mandatory participants or as voluntary participants) as per *Ontario Regulation 144/16, The Cap and Trade Program*, will be excluded from the customer-related obligations component of the Cap and Trade charges on their natural gas bill.

Further information regarding Ontario's Cap and Trade program is available at: www.ontario.ca/capandtrade. When available, Enbridge's Cap and Trade rates can be found at www.enbridgegas.com/capandtrade.
