Undertaking of Mr. Kitchen
To Mr. Shepherd

REF: Tr.1, p.66

Please provide a current forecast or a reference to a current forecast of rate base at the end of 2018 for each of the utilities, and how this compares to what was expected during the five-year period.

Response:

The forecast rate base for 2018 is provided in the response to BOMA Interrogatory# 29 found at Exhibit C.BOMA.29.
