

SEC INTERROGATORY #69

INTERROGATORY

[B/6/1, p. 9] Please discuss the relative value of accuracy vs. predictability in deciding whether to apply NTG results prospectively or retrospectively.

RESPONSE

Page 9 of Exhibit B, Tab 6, Schedule 1 describes tradeoffs reported by experts in Massachusetts regarding prospective versus retrospective application of results. The relative value of these tradeoffs depends on the policy priorities of individual jurisdictions and their stakeholders.
