

SEC INTERROGATORY #74

INTERROGATORY

[B/6/1, p. 21] Please confirm that the Illinois SAG is a large group, is dominated by utility participants, and has only limited participation by customer groups.

RESPONSE

Our research did not conduct an analysis of parties that dominate or have limited participation in the Statewide Advisory Group (“SAG”). Four utilities participated in the SAG including ComEd, Ameren Illinois, Nicor Gas and Peoples Gas - North Shore Gas.

In addition to the four utilities, there were 61 non-utility participants. The full list of participants can be found on the SAG website: <http://www.ilsag.info/meeting-participants.html>

The SAG policy manual states: “Attendance and participation in SAG is open to all interested stakeholders. Program Administrators offering Programs pursuant to Sections 8-103B and 8-104 of the Act shall participate in the EE SAG, as directed by the Commission.” (p 1 of Illinois Energy Efficiency Policy Manual Version 1.1 - A Manual Guiding the Operation of Illinois Energy Efficiency Programs).
