

SEC INTERROGATORY #79

INTERROGATORY

[B/6/1, p. 38] Please confirm that 24 of the states studied use net savings, 11 of those states apply the adjustment to custom C&I programs retrospectively, and 3 of the remaining 13 states have a fixed value. Please confirm that 10 states apply their net savings adjustment only prospectively.

RESPONSE

Yes, those numbers are correct. Therefore, 13 of 24 states determine NTG for their custom programs prior to the beginning of a program year.
