---

On December 8, 2017 the Ministry of Natural Resources and Forestry (“MNRF”), pursuant to Section 40 of the Ontario Energy Board Act, referred Enbridge’s application to drill wells TD26, TD28H and TD29H to the Ontario Energy Board (“the Board”). By letter to Enbridge dated January 19, 2018<sup>1</sup>, the Board requested that Enbridge provide further information to the Board to support its application. On July 19, 2018 the MNRF pursuant to Section 40 of the Ontario Energy Board Act, referred Enbridge’s application to drill well TD27 to the Board. Enclosed please find the additional information requested by the Board and the drilling licence applications for wells TD26, TD27, TD28H and TD29H.

The Application has been filed through the Board’s Regulatory Electronic Submission System.

For further information about the project, please visit the Other Regulatory Proceedings tab on the Enbridge website at: [www.enbridgegas.com/regulatory-proceedings](http://www.enbridgegas.com/regulatory-proceedings).

Please contact the undersigned if you have any questions.

Sincerely,
