

2. *Environmental*

Provide a copy of the Environmental Assessment Report. Please indicate whether the report identifies any unusual environmental concerns? If so, what are they and what steps will be taken to mitigate them? Please make reference to the Environmental Assessment Report where applicable.

3. *Facilities and Project Costs*

Provide evidence on the costs (both capital and OM&A) of the proposed facilities. What is the treatment of these costs for regulatory purposes (i.e. are they being expensed or capitalized)? Please make reference to Enbridge Gas' application to the Ministry of Natural Resources and Forestry (MNRF) where applicable.

4. *Rates and Project Financing*

Provide a description of the cost impacts of drilling the wells for ratepayers, if any.

5. *Land Matters*

Describe any land use requirements, and the nature and extent of land use negotiations to date, including any agreements that have resulted or remain outstanding. If permanent easements will be (or have been) obtained, provide evidence that the OEB-approved form of agreement will be (or was) offered. Please clearly describe any unresolved land matters.

6. *Indigenous Consultation*

The application must comply with the OEB's Aboriginal Consultation Policy, Appendix A - Filing Requirements.²

7. *Risk Assessment*

Provide an assessment of any identified risks to project scope, costs, schedule, land use requirements, environment matters, and consultations (quantitative and/or qualitative as appropriate) and associated mitigations. Please make reference to Enbridge Gas' application to the MNRF and the Environmental Assessment Report where applicable.

8. *MNRF Requirements*

Please confirm that all of the relevant requirements of the CSA Z341 "Storage of Hydrocarbons in Underground Formations", the *Oil, Salt and Gas Resources Act* and related regulations, will be fulfilled to the satisfaction of the MNRF.

The OEB expects that Enbridge Gas will file the above-listed required information as soon as possible. The OEB will hold the application in abeyance until the required information is filed with the OEB.
