Attention: Mr. Jug Manocha, Operations Engineer

Subject: Submittal of Risk Assessment for the Dow Moore Designated Storage Area

Please find enclosed the "What if" Analysis of Hazards and Operability Issues – Dow Moore Pool, completed by UGM Engineering Ltd. This document is being provided by Enbridge Gas Distribution Inc. (EGDI) to the Ministry of Natural Resources and Forestry (MNRF) for confidential review. Copies of this report, in whole or in part shall not be made and/or retained by the MNRF. Upon completion of the review, the document should be returned to Kathy McConnell at EGDI at the address listed below. We would be pleased to meet with you to review or clarify any portion of the report.

If you require any further information, please contact me at the numbers indicated below.

Yours truly,

A handwritten signature in black ink, appearing to read 'Kathy McConnell'.
