Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. ("Enbridge")  
2017 Earnings Sharing and Deferral and Variance Account Clearances  
Application ("Application")  
Ontario Energy Board ("Board") File Number EB-2018-0131  
Settlement Agreement and Draft Rate Order

As required within the Board's Procedural Order #1, August 10, 2018 within this proceeding, Enbridge filed a Settlement Agreement and Draft Rate on October 3, 2018 reflecting settlement on a number of issues in the proceeding.

As per the Board's Procedural Order #2, October 4, 2018, OEB Staff and intervenors who wished to make submissions on any unsettled issues were to do so by October 10, 2018 with Enbridge being able to reply to any submissions by October 15, 2018.

Intervenors did not make any specific submissions for Enbridge to consider replying to.

Board Staff did file a submission on October 10, 2018 where Staff submitted, "OEB Staff submits that the Settlement Proposal as filed is reasonable and submits that it has no concerns with the balances in the accounts that were not considered as part of the Settlement Proposal".

Given the submission of Staff which also endorsed the Draft Rate Order filed as being reflective of the Settlement Proposal, Enbridge respectfully requests that the Board approve the Settlement Agreement and Rate Order as filed by Enbridge, in their entirety as soon as practically possible.
