Attention: Mr. Jug Manocha, Operations Engineer

Subject: Submittal of Risk Assessment for Ladysmith Pool

Please find enclosed the "What If" Analysis of Hazard and Operability Issues of Ladysmith Pool Observation & Injection/Withdrawal Well Drilling Project completed by UGM Engineering Ltd. This document is being provided by Enbridge Gas Inc. (EGI) to the Ministry of Natural Resources & Forestry (MNR) for a confidential review. Upon completion of the review, the document should be returned to Kathy McConnell at Enbridge Gas Inc., at the address listed below. We would be pleased to meet with you to review or clarify any portion of the report.

If you require any further information, please contact the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read 'Kathy McConnell', written over a faint, larger version of the same signature.

Kathy McConnell

Technical Manager Storage & Reservoir
