

ONTARIO ENERGY BOARD NOTICE

Enbridge Gas Inc. has applied for approval to drill an exploratory well within the designated storage area of the Ladysmith Storage Pool in the Township of St. Clair, in the County of Lambton.

Learn more. Have your say.

Enbridge Gas Inc. applied to the Minister of Natural Resources and Forestry for approval to drill an exploratory well within the designated storage area of the Ladysmith Storage Pool. The well is required to gather geological and engineering data to assess the feasibility of increasing the maximum operating pressure used in the Ladysmith Storage Pool. The Minister of Natural Resources and Forestry referred the application to the Ontario Energy Board. The Ontario Energy Board is required to report to the Minister of Natural Resources and Forestry.

A map of the general location of the Ladysmith Storage Pool is provided below.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Enbridge Gas. We will question Enbridge Gas on the case. We will also hear arguments from individuals and from groups that are interested in the case.

As part of its review of this application, the OEB will assess Enbridge Gas' compliance with the OEB's *Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario*.

The OEB advises indigenous communities that the OEB's process for this application may serve as a component of the Crown's duty to consult for this project.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
