

ENBRIDGE GAS INC.
Answer to Interrogatory from
Federation of Rental-housing Providers of Ontario (FRPO)

Reference: Exhibit B1 / Tab 1 / Schedule 1/ p. 32-33

Preamble: EGI's evidence states: *Enbridge Gas proposes to update the allocation of the PDO and PDCI demand-related costs based on the 2019 Dawn-Parkway design day demands and the allocation of the in-franchise compressor fuel costs based on 2019 forecast volumes.*

Question:

We would like to understand better this PDO and PDCI adjustment.

Is this adjustment premised on the principle that all of the costs of the Dawn-Parkway system including the 2015-2017 expansions are included?

Response

No. Enbridge Gas has updated the allocation factors for PDO and PDCI costs in the current application to reflect the 2019 forecast consistent with the use of 2019 forecast billing units to derive the PDO rates provided at Exhibit F1, Tab 2, Rate Order, Working Papers, Schedule 11, pp. 7-9.
