

ENBRIDGE GAS INC.  
Answer to Interrogatory from  
London Property Management Association (LPMA)

Reference: Exhibit B1, Tab 1, Schedule 1, page 33

Question:

Please provide a reference for where the “2019 approved volumes” noted at lines 20-21 can be found.

---

**Response**

The volumes used to pool the Rate M4 and Rate M5 DSM costs are based on Enbridge Gas’s 2019 forecast, which are the same volumes used to derive the DSM unit rate. The volumes are provided at Exhibit F1, Tab 2, Rate Order, Working Papers, Schedule 10, page 3, column (b), Line 15 and Line 19 respectively. The evidence should have correctly described the volumes as “2019 forecast volumes”.
