

DRAFT ISSUES LIST

1. Has Enbridge calculated its final 2017 Allowed Revenue amount, including the updating of placeholder amounts, in accordance with the EB-2012-0459 Decision with Reasons and Final Rate Order?
2. Is the 2017 gas volume budget appropriate?
3. Is the 2017 revenue forecast appropriate?
4. Is the 2017 Allowed Revenue deficiency or sufficiency calculated correctly?
5. Are the final rates proposed for implementation effective January 1, 2017 and appearing in Exhibit H, including the new Dawn Transportation Service (“DTS”) and an update to Rate 332, just and reasonable?
6. Is it appropriate to establish for 2017 the proposed list of deferral and variance accounts set out at Exhibit D2, Tab 1, Schedule 1.
