Question:

Please advise which school boards, if any, were included in the strategic account customers with which Union sales representatives met to gather feedback. Please provide the dates of those meetings.

Response

No, school boards were not included with the strategic account grouping. School boards would be included in the “not-for-profit or community institution” category of business respondents.

Please see Exhibit D1, Tab 2, Schedule 1, page 212 for the Firmographic Profile of Business Respondents in Union’s Customer Engagement telephone survey.
