Answer to Interrogatory from
Energy Probe Research Foundation (EP)

Reference: Exhibit C1, Tab 2, Schedule 1, Page 45, Table 1.9-5: ICM-Eligible Capital Projects

Question:

- a) Please explain the relationship between the information in this table and the ICM project information in Exhibit B1, Tab 2.
- b) Please provide a consolidated schedule showing approved and forecast ICM projects over the 5-year deferred rebasing period with summary data on costs and in-service dates.

Response

- a) The information in Table 1.9.5 identifies discrete and material capital projects in the EGD rate zone, and includes the NPS 30 Don River Replacement ICM project and potential future ICM projects. The information in Exhibit B1, Tab 2 discusses the evidence in support of the ICM funding requests and includes the business case summary for the NPS 30 Don River Replacement ICM project.
- b) A list of potential ICM projects is filed in Table 6, page 49 at Exhibit C1, Tab 1, Schedule 1.
