Learn more. Have your say.

Enbridge Gas Inc. has applied to the Ontario Energy Board for approval to raise its natural gas rates effective January 1, 2021, based on a rate-setting framework and other adjustments previously approved by the Ontario Energy Board for the period 2019-2023. The rates are set using a formula that is tied to inflation and other factors intended to promote efficiency. If the request is approved, a typical residential customer in the EGD Rate Zone and in the Union Rate Zones (former customers of Enbridge Gas Distribution Inc. and Union Gas Limited, respectively) would see the following increases:

Rate Zones	Residential Annual Bill Increase
EGD	\$ 1.99
Union South	\$ 8.91
Union North East	\$ 10.72
Union North West	\$ 10.40

Other customers may be affected. It is important to review the application carefully to determine whether you will be affected by the changes.
