The Enbridge Gas - Dawn Hub is the largest integrated natural gas storage facility in Canada and one of the largest in North America. It offers customers, such as power generators, distribution and pipeline companies and energy marketers, an important link in the movement of natural gas from key supply basins to markets in central Canada and the northeast U.S.

- A working storage capacity of 281 Bcf.
- Bi-directional service.
- Takeaway capacity of almost 8 Bcf/d and growing.
- Daily demand at Dawn from markets in Ontario, Quebec, the U.S. Midwest and the U.S. Northeast.
- Serving markets of over 9.9 million consumers in eastern Canada and the northeast U.S.
- Interconnects with several major pipelines including Vector, Great Lakes, Panhandle, Bluewater, MichCon, Enbridge, and TransCanada at Kirkwall and at Parkway.
- Additional interconnects with ANR via Enbridge and National Fuel, Empire, Dominion, and Tennessee via Kirkwall.

Enbridge Gas reserves the right to make acceptance of any binding bid conditional upon receiving reasonable financial assurances for the obligations pursuant to this Open Season, if deemed necessary.

Enbridge Gas reserves the right to make its acceptance of any bid conditional upon satisfaction or waiver of conditions precedent set out in Section 6.01 of the Long-Term Peak Storage Contract.

Each bid will be evaluated separately. If two or more successful bids have an equivalent value, and insufficient capacity exists to satisfy all such bids with an equivalent value, the capacity allocated to such bids will be prorated.

Enbridge Gas reserves the right to reject any and all bids at its sole discretion. Without limiting the foregoing, Enbridge Gas may, but is not required to, reject any bids which do not conform to the Open Season, are incomplete with the terms and conditions outlined in this Open Season, contain additional or modified terms, or are otherwise deficient in any respect.
