Dear Jim:

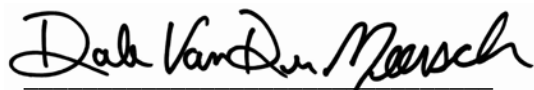

This Letter Agreement confirms the existence of an Interruptible Service Hub Contract (HUB445) (the "Contract") between Market Hub Partners L.P. ("Shipper") and Union Gas Limited ("Union"). In addition to the terms and conditions of the Contract, Shipper has requested and Union has agreed to provide an additional "Enhanced Load Balancing Service". All basic terms and conditions of the Contract shall be applicable to this Enhanced Load Balancing Service, and during the term of this Enhanced Load Balancing Service Agreement, the Contract may not be terminated by Shipper or Union, except as defined in the Default and Termination section of the General Terms & Conditions. In the event of any other discrepancy or conflict in the terms and conditions between the Contract and this Enhanced Load Balancing Service Agreement, the terms and conditions of this Enhanced Load Balancing Service Agreement shall supersede and take precedence over the Contract. This Enhanced Load Balancing Service Agreement shall provide for the following:

1. Union shall provide Shipper an Enhanced Load Balancing Service (the "Service") at Dawn.
2. This Service will commence on August 16, 2007 and shall continue in full force and effect until the earlier of:
 1. May 30, 2012-or-
 2. termination of M16004, such termination being governed by the termination provisions of M16004.
3. Shipper may have a maximum credit or parking balance ("Maximum Parked Balance") such that the Maximum Parked Balance does not exceed 3,960 GJ.
4. Shipper may have a maximum debit or loan balance ("Maximum Loan Balance") such that the Maximum Loan Balance does not exceed 3,960 GJ, or such other lesser amount which is dependent upon credit.
5. At any time throughout the term of this Service, Union, at its sole discretion, with five (5) calendar days notice to Shipper, may require Shipper to take action to bring balance to zero (0) by the end of a subsequent five (5) calendar day period.

6. The Service shall be used to provide balancing and allocate the daily difference between:
 1. Shipper's nomination on M16004 (from the Receipt Point to the Delivery Point under Shipper's M16004 contract) and
 2. The actual physical quantity of gas that was withdrawn or injected into the St. Clair Pool as measured at Union's custody transfer measurement station at the St. Clair Pool.
7. The fee for the first 264 GJ of daily activity under this Service shall be \$0.00/GJ and for quantities above 264 GJ/d, Shipper agrees to pay \$0.10 for each GJ delivered by Shipper to Union or \$0.10 for each GJ delivered by Union to Shipper as the case may be.
8. This Letter Agreement will take effect immediately.

Please acknowledge your agreement to the above terms and conditions by signing and returning both copies of this Letter Agreement to **Union Gas Limited, 50 Keil Drive North, P.O. Box 2001, Chatham, ON, N7M 5M1, Attention: Paula Brady or Kerry Anderson** for execution by Union, whereby this shall then constitute a binding Agreement as between the parties.
