

Large Volume Customer Notice - Rate 145

January 2019

Natural gas prices have changed

The Ontario Energy Board (“OEB”) has approved changes to Enbridge Gas’ charges effective January 1, 2019. On average these changes will amount to an increase of approximately 10 per cent annually. The increase is due to higher natural gas prices in North America. The effect on your bill will depend on how much natural gas your organization uses.

Your current bill has been calculated using the new approved rates for gas consumed from January 1, 2019. The rate chart is included in this notice.

Our supply prices are based on a forecast of market prices for the next 12 months. The forecasted prices are reviewed every three months and adjusted accordingly. If our forecasts are over or under our actual costs, the difference is refunded or collected from customers through cost adjustments.

Gas Supply Charge

The Gas Supply charge has increased from 10.0189 cents per cubic metre ($\text{¢}/\text{m}^3$) to 12.4052 $\text{¢}/\text{m}^3$.

The Gas Supply component of the Cost Adjustment is currently a charge of 0.7466 $\text{¢}/\text{m}^3$. This charge, combined with the Gas Supply Charge, results in a new total effective Gas Supply rate of 13.1518 $\text{¢}/\text{m}^3$.

Enbridge Gas does not make a profit on the price of natural gas.

Delivery to You

The ‘Delivery to You’ charge has increased due to higher delivery related costs.

Load Balancing Charge

The Load Balancing Charge has decreased due to lower seasonal load balancing related costs.

Transportation to Enbridge

The ‘Transportation to Enbridge’ charge has decreased due to lower costs for transporting natural gas to Ontario.

Cost Adjustment

The total Cost Adjustment charge is 1.2506 ¢/m³, effective until December 31, 2019. Please see the chart below for the breakdown by component.

Rate Adjustment

The OEB has also previously approved a Rate Adjustment. It is a credit of 0.4156 ¢/m³ to reflect the difference between the amount you paid for volumes consumed from January 1, 2017 to December 31, 2017 and the actual costs incurred. The total amount of the credit will appear on your January bill.
