

Enbridge Gas Ohio Third Party Notice Program Application

When you are ill, disabled or away from your home for long periods of time, you may not be able to pay your bills by the due dates or easily gain access to your account information. Our Third Party Notice Program allows you to appoint a third party to assist you. This can be a relative, friend, clergyman or social service agency to whom we will send a copy of notices concerning your account and past-due bills.

Once we inform the third party, they can then help to arrange payment to keep your service active. Naturally, we will not make the third party legally liable for your bill. The third party will also be able to access account information on your behalf.

If you or someone you care about could benefit from this program, please submit the application form via email, fax or mail to the Enbridge Gas Ohio contact information listed below.
