### 2. Character of Service

The gas received by East Ohio on any day for the account of the customer shall be delivered by East Ohio to the Customer on the same Day on a firm basis, subject to the provisions of East Ohio's General Terms and Conditions of Transportation Service. - 3.2 The Customer shall provide, at no cost to East Ohio and in a timely manner, a 120-volt, 15 ampere, AC power supply, or other power supply if acceptable to East Ohio in its sole discretion, and wireless communication technology at Customer's meter location

- 3.3 The Customer shall pay all charges for continuous electric and wireless communication services necessary for the operation of the EGM equipment.
