

Energy Choice Transportation Service - Residential (ECTS-R)

1. Applicability

Transportation service pursuant to this rate schedule is available to residential Customers throughout East Ohio's service area who use less than 3,000 Mcf per year as determined on an annual basis by East Ohio and:

- a) have purchased or otherwise arranged to receive all of their natural gas requirements from a qualified Supplier that is receiving service under the terms of East Ohio's Energy Choice Pooling Service;
- b) have no arrears of 30 days or more or are current on a payment plan to discharge such arrears for service rendered under this or any other of East Ohio's PUCO-approved rate schedules. Other Customers may begin receiving service pursuant to this rate schedule provided they have not broken a prior payment plan more than once during the preceding 12-month period. Such Customers shall be placed on a new payment plan upon enrollment and must remain current on that plan in order to continue receiving service pursuant to this rate schedule.

2. Character of Service

- 2.1 The gas received by East Ohio on any Day for the account of the Customer shall be delivered by East Ohio on a firm basis. In the event of an emergency, service may be curtailed pursuant to PUCO rules or a curtailment plan approved for East Ohio by the PUCO.
- 2.2 In the event the Customer is no longer eligible to receive transportation service, the Customer must purchase and receive all of its natural gas requirements from East Ohio pursuant to East Ohio's General Sales Service - Residential or Large Volume General Sales Service rate schedule.

3. Measurement of Deliveries

Delivery Points shall be equipped with monthly gas measurement equipment or real-time electronic gas measurement capability.

4. Rates and Charges

- 4.1 The volumetric charge for each Customer at each Delivery Point served under this rate schedule shall be the charge for commodity service as agreed between the Customer and its natural gas supplier or as determined under an applicable governmental aggregation program. Customers under this rate schedule may receive commodity service at the Standard Choice Offer Commodity Service ("SCO") rate in accordance with the applicability of that rate schedule.

- 4.2 Each Customer shall be assessed a service charge of \$43.43 per Delivery Point for each billing period. For final bills involving less than 26 days of usage, bills will be prorated as follows: the number of days of service, divided by thirty days, times the billed Monthly Service Charge. Proration will not apply to volumetric charges.
- 4.3 Customers receiving transportation service under this rate schedule shall be responsible for charges pursuant to East Ohio's Gross Receipts Tax Rider, Excise Tax Rider, Interim Emergency and Temporary PIP Plan Rider, Uncollectible Expense Rider, Operational Balancing Rider, Demand Side Management Rider, AMR Cost Recovery Charge, PIR Cost Recovery Charge, Transportation Surcredit Rider, Infrastructure Development Rider, Tax Savings Credit Rider and CEP Rider, as applicable.

5. Billing

East Ohio shall bill for all services provided by East Ohio. Pursuant to a separate Billing Agreement, the Customer's Supplier shall have the option of East Ohio rendering a combined bill for both distribution and commodity service, or the Supplier may bill for commodity service independently. All Customer bills and payments will be handled in accordance with OAC rule 4901:1-13-11 except for 4901:1-13-11(G)(2), for which a waiver was granted.

6. Resumption of Service after Interruption

If service is interrupted as a result of the Customer's failure to make payment or at the Customer's request, East Ohio shall not be under any obligation to resume service to the same Customer at the same premises unless East Ohio shall have received, in addition to payment for all gas received by the Customer under this rate schedule, a reconnection payment of \$76.00

If service is disconnected while receiving service under this rate schedule and the Customer's account has been final billed, the Customer will revert to East Ohio's sales service upon reconnection and the agreement between the Customer and the Supplier will be terminated.

7. Disconnection For Non-payment

Where East Ohio is rendering a combined bill for both distribution and commodity service, non-payment of the bill, including the Supplier gas commodity portion, shall subject Customer to disconnection of service in accordance with rule 9 of Section K – Rules and Regulations of the Company's tariffs.

8. Regulations

All gas service provided by East Ohio is rendered under and subject to the Rules and Regulations contained in its tariff.
