Enbridge Gas Receives Ontario Energy Board Approval for Rate Changes Effective July 1, 2026

Enbridge Gas recently received approval from the Ontario Energy Board (OEB) for rate changes effective July 1, 2026, following the OEB's Decision and Order issued on June 23, 2026 ([EB-2026-0156](#)). These changes were brought forward to the OEB as part of the Quarterly Rate Adjustment Mechanism (QRAM).

QRAM is the mechanism Enbridge Gas uses to review and adjust our rates for changes in natural gas prices. This is conducted every three months to reflect ongoing changes in the market price of natural gas. It also adjusts for differences between the forecasted natural gas price and actual price from prior periods.

All changes are reflected in the rates highlighted below.
