

Enbridge Gas provides a billing service to companies that are not owned by or affiliated with Enbridge Gas. If you decide to buy a product or service from a participating company, their charges will appear in the “Charges From Other Companies” section of your Enbridge Gas bill. This can help make paying bills more convenient, get one bill and make one monthly payment to Enbridge Gas. Enbridge Gas does not recommend, endorse or guarantee the products or services offered by such companies.

Many service providers will exit the program by Dec. 31, 2023. The following companies have opted to extend billing their charges through the Enbridge Gas billing service until Oct. 31, 2024 but may choose to leave the program anytime between now and then.

Visit [enbridgegas.com/thirdpartycharges](https://enbridgegas.com/thirdpartycharges) if you have additional questions about the Open Bill Program.
