TERMS AND CONDITIONS

All incentive offers are available to Enbridge Gas Distribution Inc., Ontario customers. The customer must be the owner of the applicable energy efficient equipment. Enbridge account must be in good standing. Incentive offers available between January 1, 2017 and December 8, 2017 (natural gas equipment must be installed by November 24, 2017). To receive any incentive, a completed Fixed Incentive Application Form and proof of purchase matched to the installation address must be provided to Enbridge no later than December 8, 2017. Enbridge is not responsible for lost mail or mail disruptions. Allow 10 to 12 weeks for delivery of payment. All Fixed Incentives are paid on a per unit basis unless otherwise indicated. Programs and incentives may be subject to change or cancellation without notice at any time. Enbridge makes no representation, warranty or guarantee regarding the projected savings of any energy efficiency measure or performance of installed equipment. Enbridge reserves the right to independently verify application information and confirm installation. Showerhead Incentive applies to the replacement of standard showerheads (with a flow rate of 2.5 GPM or greater) in existing multi-family residential buildings that use natural gas for water heating. Replacement low-flow showerheads must have a flow rate of 1.5 GPM or less. Existing showerhead flow rate testing is required for a minimum of 10% of the total number of residential suites. Additional Terms and Conditions apply. Capitalized terms used in this form, and not otherwise defined herein, have the meaning set out in the Enbridge "Fixed Commercial and Industrial Contractor Incentives" brochure for the calendar year in respect of which this application form is submitted.
